**Re: Public Records Request, dated November 19, 2019**

Dear Miles Anderson:

The Office of the Attorney General (OAG) received your public records request dated November 19, 2019. This request seeks the release of certain records maintained by this office, specifically:

“Any and all record of joint efforts between the states of Nevada and California to combat human trafficking and other related human trafficking crimes. Please include the names of those who were assigned for respective efforts, as well as any spending and funding information you can provide on said efforts.”

We are in the process of gathering potentially responsive records in our custody and, at this time, anticipate responding to this request in full by March 20, 2020 although we hope that the clarifications below will allow us to fulfill your request sooner than anticipated. To help us gather the potentially responsive records more quickly, we kindly request that you (1) let us know if you would be open to specifying the dates relevant to your

request or if you are requesting records as far back as they are available and (2) please clarify what you mean by “other related human trafficking crimes.”

We would like to offer you the option to receive rolling releases. A rolling release would shorten the wait time by allowing you to receive the records in chunks as they are being processed rather than waiting until all the documents are reviewed. Please indicate your preference for the purposes of this request. Thank you for your patience with this matter.

Sincerely,

State of Nevada  
Office of the Attorney General
